

The Summer School Program

Parent Agreement Contract

1. The Summer School Program is an equal opportunity employer. No person, based on race, religion, color, or national origin, will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program.
2. The Summer School Program, SSP, is and will be licensed by the Arkansas Department of Human Services (DHS).
3. The Summer School Program will be open from 7:00am to 6:00pm, to provide quality summer care for elementary age children. Children must be, at a minimum, entering Kindergarten for the 2018-19 school year to participate.
4. The Summer School Program will be closed for all nationally recognized holidays, as well as one week before the start of the 2018-19 public school year.
5. The Summer School Program will provide a morning and afternoon snack. The parent/guardian will be responsible for providing their child's lunch.
6. Although we request your cooperation in not disturbing the program, parents are always welcome to visit our program. We do ask that you notify a member of our office staff, due to safety precautions.
7. The Summer School Program **will not** be responsible for any articles brought to the program.
8. The parent/guardian will be required to enter the building when dropping off, and picking up their child. For your child's protection, the "Sign In/Out" sheet must be signed by the adult dropping off, and picking up, your child each day. Only authorized adults will be allowed to pick up your child.
9. Positive reinforcement is our primary method of maintaining discipline in The Summer School Program. In those cases where our discipline procedure of time-out, isolation, counseling, parental contact and behavior redirection are not effective; the child may be removed from the program by the director.
10. The Summer School Program will not administer medication without first obtaining written approval from the parent/guardian. If the child's temperature reaches 101 degrees, or the child appears to be ill, the parent will be called to immediately pick up the child.
11. In the event of an emergency, The Summer School Program has the permission of the parent/guardian to administer first aid or obtain emergency medical treatment, if necessary, for the child's welfare.
12. All children with allergies, that require medication, must submit an action plan from their family physician.
13. Each child shall provide one bottle of spray sunscreen, with a minimum 50spf. Sunscreen will be for general use.
14. It is understood by the parent/guardian that children in our care are subjected to be interviewed by Child Care Licensing, DCFS Special Investigations and/or law enforcement for investigative purposes and/or for determining our compliance with Arkansas Licensing Requirements. (*Arkansas DHS Minimum Licensing Requirements: DCCECE/Child Care Licensing Unit: 200.201.4*)
15. All children enrolling into SSP must be able to participate to some degree and substantially benefit from the program without risk to himself/herself, or the other children. This must be accomplished without fundamentally altering the nature of the program, or resulting in an undue financial and/or administrative burden.
